I. PURPOSE

- A. **General Purpose.** The purpose of this policy is to establish the conditions and procedures for hiring ex-offenders.

II. POLICY

- A. **Criminal Record Checks.** It is the policy of the Wyoming Department of Corrections (WDOC) to conduct a criminal record check on all new employees, contractors, and volunteers prior to assuming their duties in accordance with applicable statutes and to identify whether there are criminal convictions that have a specific relationship to job performance. (2-CO-1C-18)
1. This record will include comprehensive identifier information, such as current name, birth name, date of birth, social security number, address, phone number, copy of driver's license and similar information, to be collected and run against law enforcement indices.
 2. If suspect information on matters with potential terrorist connections is returned on a desirable applicant, it is forwarded to the local Joint Terrorism Task Force (JTTF) or another similar agency. (ACA 4-4061)
- B. **WDOC Position.** It is the position of WDOC that ex-offenders have the capacity to become law abiding citizens and they have the potential to be excellent employees, volunteers and/or treatment services providers. It is therefore the policy of WDOC to consider for employment, under specified circumstances, minimally qualified applicants who have been convicted of criminal violations. (2-CO-1C-10; 4-APPFS-3E-07)
1. Convicted felons will not be considered for hiring into uniformed Peace Officer and Standards Training (P.O.S.T.) certified correctional officer series positions, or any other position that could involve the assignment of fire arms, pursuant to the Gun Control Act.
 2. Persons with a prior misdemeanor conviction may be considered for employment in a certified correctional officer series position on a case-by-case basis, subject to approval by the Director of the WDOC, or appropriate CEO upon proper delegation of authority by the Director, assuming they are not currently under a period of supervised or unsupervised probation or suspended/deferred sentence.

3. Persons with a history of conviction of a misdemeanor or felony crime(s) may be considered for employment in other job classifications with the prior approval of the Director of the WDOC. They may also be considered for employment by contractors with the agency, by treatment services providers and for volunteer positions with the prior approval of the Director of the WDOC, subject to the restrictions of this policy.
4. Persons currently under a term of supervision of WDOC, or any other similar agency, persons under a period of unsupervised probation, or persons currently serving a suspended or deferred sentence, may not be considered for an offer of employment while in that status. Also they may not be considered for employment by contractors with the agency and for volunteer positions while in any of those statuses.
5. Ex-offenders may not be employed at or serve as volunteers at the same institution in which they were confined within the past five (5) years.
 - i. **Exception for Substance Abuse Treatment.** Ex-offenders who successfully completed an intensive residential treatment program while confined by the WDOC are authorized to work for the licensed contract provider which provide substance abuse treatment services or volunteer at the same facility where they were incarcerated prior to the five (5) year waiting period.

III. DEFINITIONS

- A. **Chief Executive Officer (CEO):** A CEO is identified, but not limited to, the following positions: Director, Deputy Director, division administrators, deputy administrators, wardens, district supervisors, adult community corrections coordinator, and adult community corrections directors.
- B. **Ex-Offender:** Any person who has been convicted of one or more felony offenses that resulted in incarceration or supervised probation; any person who has been convicted of a misdemeanor offense other than a minor traffic offense; any person who has been convicted of any offense and sentenced to a period of unsupervised probation; or any person placed on a suspended or deferred sentence by a court.

IV. PROCEDURE

- A. **Misdemeanor Offenders and Deferred Sentences.** Ex-offenders who have been convicted of a misdemeanor offense or those who have had a suspended

or deferred sentence are eligible to be hired by WDOC, provided they are not currently under supervised or unsupervised probation or subject to a suspended or deferred sentence. Employment of such persons for POST certified positions may be considered on a case-by-case basis, consistent with WDOC Policy and Procedure #1.206, *Recruitment and Selection for POST-Certified Positions*.

1. Chief Executive Officers (CEOs) are delegated the authority to make hiring decisions for ex-offenders with misdemeanor offenses not involving violence, alcohol, or drugs.
 2. CEOs wishing to hire ex-offenders with misdemeanor offenses involving violence, alcohol, or drugs must obtain the Director's approval prior to making an offer for employment.
- B. Felony Offenders.** Subject to the State of Wyoming's recruitment and selection procedures, the WDOC will consider ex-offenders with felony convictions for employment under the following conditions, all of which must be met in order for the ex-offender to be considered for employment by the WDOC.
1. The offense resulting in conviction is not related to the job duties of the position for which the ex-offender has applied. (For example, someone convicted of embezzlement would not be considered for a position involving the handling or disbursement of funds.)
 2. The applicant has not been incarcerated or under any form of correctional supervision or unsupervised probation during the three (3) year period immediately preceding the submission of the employment application.
 3. The application must accurately reflect the arrest(s) and/or conviction(s).
 4. When there is more than one conviction, the number and type of convictions do not indicate a pattern of unlawful behavior.
- C. Approval Required before Offer of Employment.** Prior to extending an offer of employment, written approval must be granted by the Director or designee.
- D. Selection Based on Qualifications.** This policy is not intended to create a preference for hiring ex-offenders. In every case the relative minimum qualifications of all applicants will guide in the selection process.
